Arlington, TX (PRWEB) July 9, 2006 -- Designer Water USA, Inc. is pleased to announce the addition of Chuck Higbee to their graphic arts department.

Chuck is a locally renowned artist with over 30 years experience in advertising design and print production.

Since a picture is worth a thousand words, please view Chuck's portfolio of work at [www.chuckhigbee.com](http://www.chuckhigbee.com).

"Personalized bottled water is a growing business and I am proud to be a part of such an innovative and flourishing company. With my graphic arts knowledge and experience coupled with the Designer Water concept, I see great things in the future for us," Higbee said.

With the summer heat upon us, the private label bottled water industry is a great venue in which companies can offer a thirst-quenching, quality advertising product to their customers.

Businesses are not the only ones who can benefit from the Designer Water product. Individuals who are celebrating weddings, family reunions, picnics, summer camp programs, fundraisers, etc. can contact the Designer Water office to place customized water orders.

The Dallas/Fort Worth Metroplex is the main free delivery base for the Designer Water company. Orders from outside of this area can contact the Designer Water office to have personalized bottled water labels designed, printed and shipped around the United States and further.

For more information on Designer Water's customized labeled bottled water company, please visit the website at [www.designerwaterusa.com](http://www.designerwaterusa.com) or call the office at 877.695.4116.
